LAPURE®

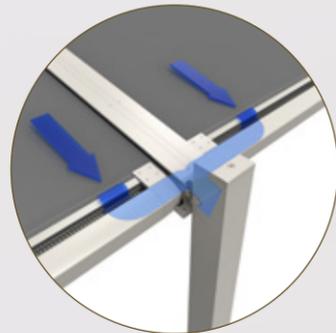

*Fully retractable patio cover,
a timeless architectural whole*

 **RENSON®**

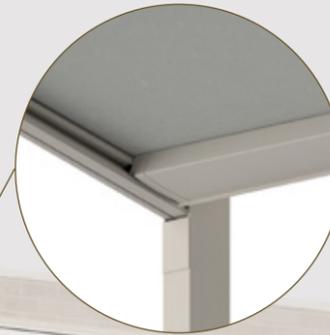

Renson Lapure®, invisible strength

HIGH WIND RESISTANCE
Fixscreen-technology and fully enclosed aluminum column for complete peace of mind—even in strong winds

SMOOTH WATER DRAINAGE
Splash-free and no risk of blockage

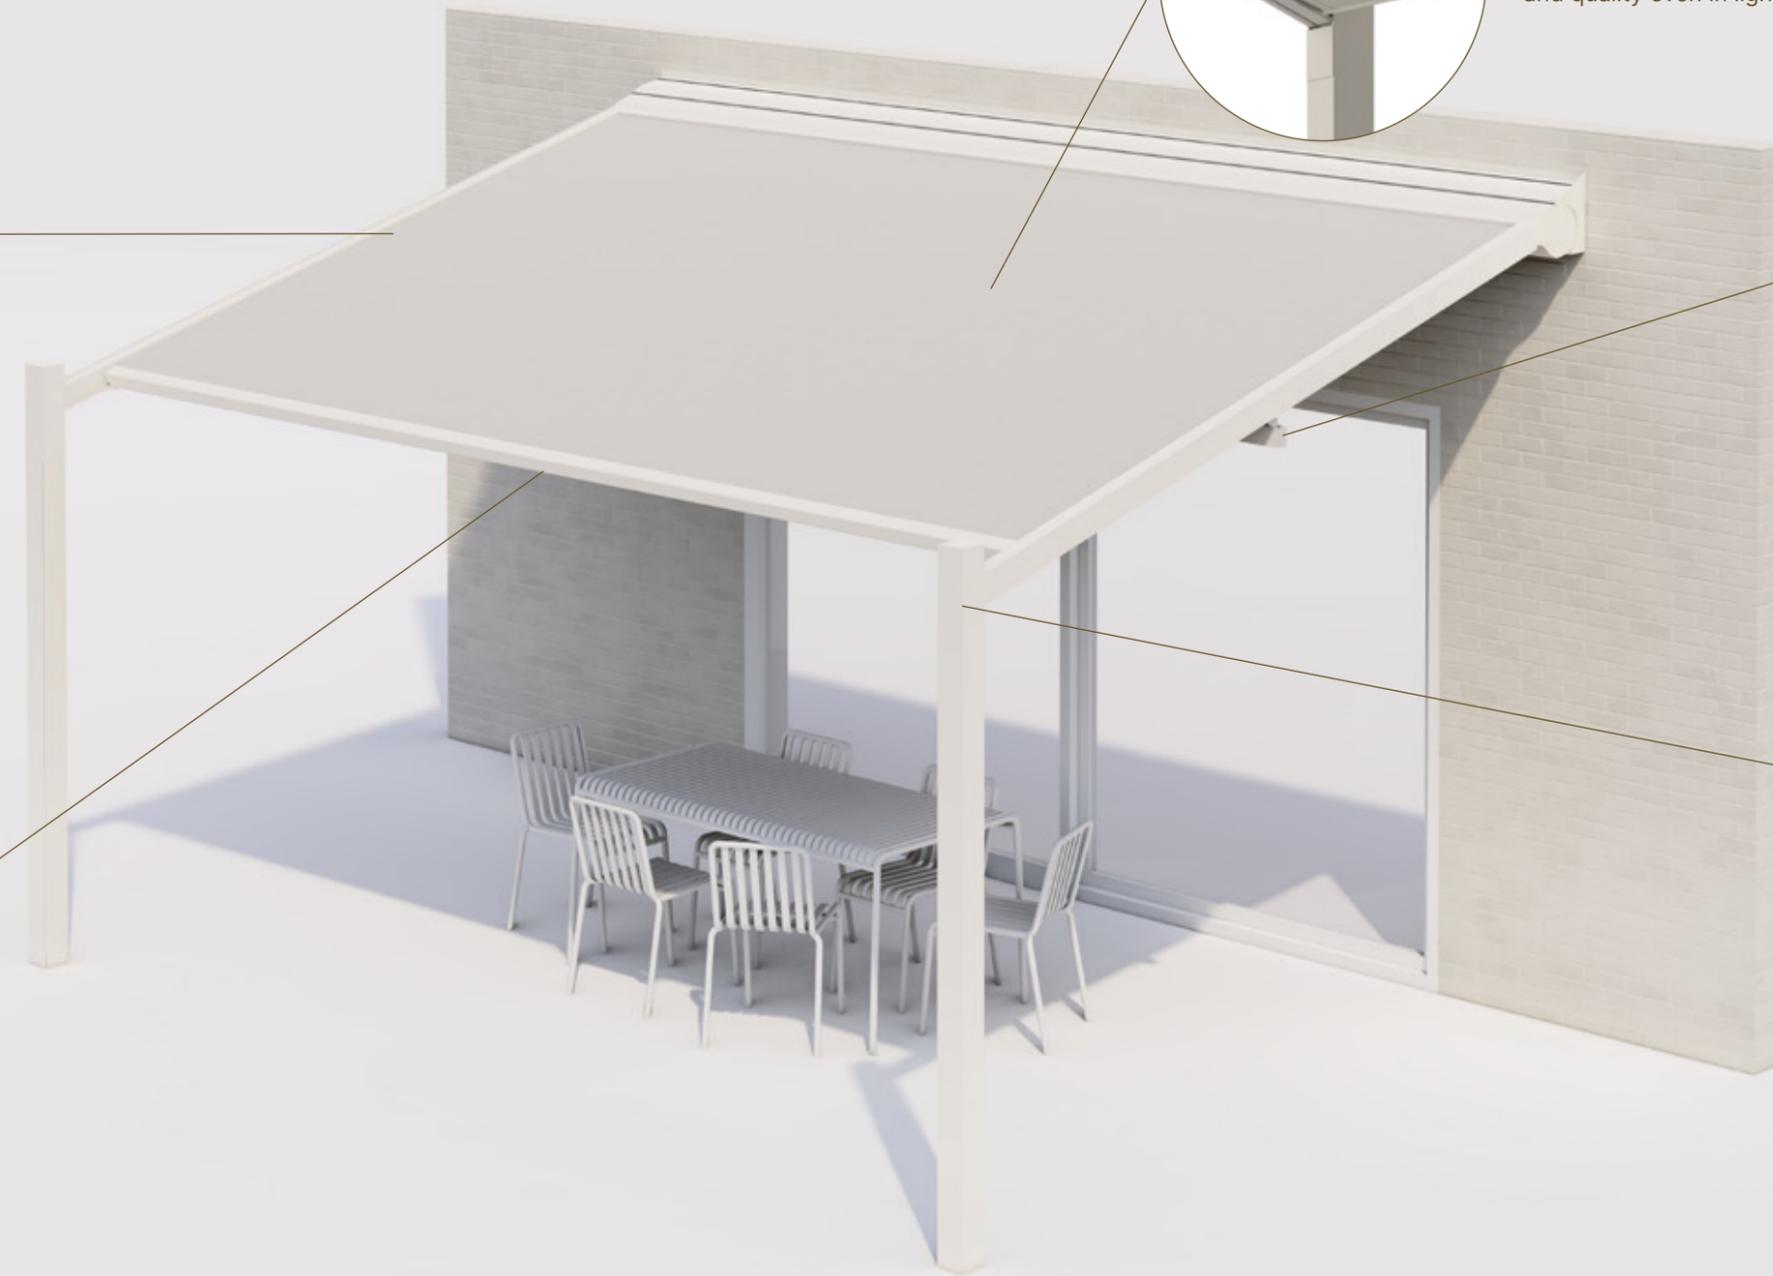

WATERPROOF SCREEN ROOF
Superior outdoor delight, you stay dry and the roof retains its tension and quality even in light rain

ACCESSORISE
Personalise your configuration to match your preferences and needs

ENJOY AN UNDIMINISHED VIEW
Fully retractable fabric gives you a heady feeling of openness

CONTROL SUN AND SHADE

Fully retract the screen roof for an unbeatable panoramic view, or extend the roof and block low sun with your Fixscreen. Sunlight is at your beck and call. When it comes to natural light below your patio cover and in your adjoining indoor space—it's your choice.

IN THE RIGHT LIGHT

Craft an ambience for any occasion with dimmable LED lighting.

SHELTER FROM THE ELEMENTS

Lapure shields you from the elements. Automatic wind and rain detection trigger the roof to extend so you can unwind and continue enjoying the outdoors. Side walls empower you to create the perfect outdoor space.
